

# CVE-2002-0094

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                        |
|------------------------|------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2002-0094                                                                                                          |
| <b>State</b>           | PUBLIC                                                                                                                 |
| <b>Assigner</b>        | cve@mitre.org                                                                                                          |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                           |
| <b>Published</b>       | 2002-03-25 05:00:00 UTC                                                                                                |
| <b>Updated</b>         | 2008-09-05 20:27:00 UTC                                                                                                |
| <b>Description</b>     | config_converters.py in BSCW (Basic Support for Cooperative Work) 3.x and versions before 4.06 allows remote attackers |

## Risk And Classification

**Problem Types:** NVD-CWE-Other

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor                         | Product              | Version | Update | Edition | Language |
|-------------|--------------------------------|----------------------|---------|--------|---------|----------|
| Application | <a href="#">Fraunhofer Fit</a> | <a href="#">Bscw</a> | 3.4     | All    | All     | All      |
| Application | <a href="#">Fraunhofer Fit</a> | <a href="#">Bscw</a> | 4.0     | All    | All     | All      |
| Application | <a href="#">Fraunhofer Fit</a> | <a href="#">Bscw</a> | 3.4     | All    | All     | All      |
| Application | <a href="#">Fraunhofer Fit</a> | <a href="#">Bscw</a> | 4.0     | All    | All     | All      |
