

# CVE-2006-4290

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                            |
|------------------------|----------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2006-4290                                                                                                              |
| <b>State</b>           | PUBLIC                                                                                                                     |
| <b>Assigner</b>        | cve@mitre.org                                                                                                              |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                               |
| <b>Published</b>       | 2006-08-22 17:04:00 UTC                                                                                                    |
| <b>Updated</b>         | 2017-07-20 01:32:00 UTC                                                                                                    |
| <b>Description</b>     | Directory traversal vulnerability in Sony VAIO Media Server 2.x, 3.x, 4.x, and 5.x before 20060626 allows remote attackers |

## Risk And Classification

**Problem Types:** NVD-CWE-Other

## NVD Known Affected Configurations (CPE 2.3)

| Type     | Vendor               | Product                           | Version | Update | Edition | Language |
|----------|----------------------|-----------------------------------|---------|--------|---------|----------|
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 2.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 3.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 4.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 5.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 2.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 3.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 4.0     | All    | All     | All      |
| Hardware | <a href="#">Sony</a> | <a href="#">Vaio Media Server</a> | 5.0     | All    | All     | All      |
