

# CVE-2007-5537

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                       |
|------------------------|-----------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2007-5537                                                                                                         |
| <b>State</b>           | PUBLIC                                                                                                                |
| <b>Assigner</b>        | cve@mitre.org                                                                                                         |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                          |
| <b>Published</b>       | 2007-10-18 00:17:00 UTC                                                                                               |
| <b>Updated</b>         | 2017-07-29 01:33:00 UTC                                                                                               |
| <b>Description</b>     | Cisco Unified Communications Manager (CUCM, formerly CallManager) 5.1 before 5.1(2), and Unified CallManager 5.0, all |

## Risk And Classification

**Problem Types:** CWE-399

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor                | Product                                        | Version | Update | Edition | Language |
|-------------|-----------------------|------------------------------------------------|---------|--------|---------|----------|
| Application | <a href="#">Cisco</a> | <a href="#">Unified Callmanager</a>            | 5.0     | All    | All     | All      |
| Application | <a href="#">Cisco</a> | <a href="#">Unified Callmanager</a>            | 5.0     | All    | All     | All      |
| Application | <a href="#">Cisco</a> | <a href="#">Unified Communications Manager</a> | All     | All    | All     | All      |
| Application | <a href="#">Cisco</a> | <a href="#">Unified Communications Manager</a> | All     | All    | All     | All      |
