

# CVE-2008-3344

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2008-3344                                                                                                                |
| <b>State</b>           | PUBLIC                                                                                                                       |
| <b>Assigner</b>        | cve@mitre.org                                                                                                                |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                 |
| <b>Published</b>       | 2008-07-28 16:41:00 UTC                                                                                                      |
| <b>Updated</b>         | 2017-08-08 01:31:00 UTC                                                                                                      |
| <b>Description</b>     | Multiple cross-site scripting (XSS) vulnerabilities in staticpages/easycards/index.php in MyioSoft EasyE-Cards 3.5 trial edi |

## Risk And Classification

### Problem Types: CWE-79

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor                   | Product                     | Version | Update | Edition | Language |
|-------------|--------------------------|-----------------------------|---------|--------|---------|----------|
| Application | <a href="#">Myiosoft</a> | <a href="#">Easye-cards</a> | 3.10    | a      | All     | All      |
| Application | <a href="#">Myiosoft</a> | <a href="#">Easye-cards</a> | 3.5     | All    | trial   | All      |
| Application | <a href="#">Myiosoft</a> | <a href="#">Easye-cards</a> | 3.10    | a      | All     | All      |
| Application | <a href="#">Myiosoft</a> | <a href="#">Easye-cards</a> | 3.5     | All    | trial   | All      |
