

# CVE-2010-4229

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                           |
|------------------------|---------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2010-4229                                                                                                             |
| <b>State</b>           | PUBLIC                                                                                                                    |
| <b>Assigner</b>        | cve@mitre.org                                                                                                             |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                              |
| <b>Published</b>       | 2011-04-18 18:55:00 UTC                                                                                                   |
| <b>Updated</b>         | 2018-10-10 20:07:00 UTC                                                                                                   |
| <b>Description</b>     | Directory traversal vulnerability in an unspecified servlet in the Inventory component in ZENworks Asset Management (ZAM) |

## Risk And Classification

### Problem Types: CWE-22

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor | Product                           | Version | Update | Edition | Language |
|-------------|--------|-----------------------------------|---------|--------|---------|----------|
| Application | Novell | Zenworks Configuration Management | 10.3    | All    | All     | All      |
| Application | Novell | Zenworks Configuration Management | 10.3.1  | All    | All     | All      |
| Application | Novell | Zenworks Configuration Management | 11      | All    | All     | All      |
| Application | Novell | Zenworks Configuration Management | 10.3    | All    | All     | All      |
| Application | Novell | Zenworks Configuration Management | 10.3.1  | All    | All     | All      |
| Application | Novell | Zenworks Configuration Management | 11      | All    | All     | All      |
