

# CVE-2013-0468

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                                |
|------------------------|--------------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2013-0468                                                                                                                  |
| <b>State</b>           | PUBLIC                                                                                                                         |
| <b>Assigner</b>        | psirt@us.ibm.com                                                                                                               |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                   |
| <b>Published</b>       | 2013-07-03 13:54:00 UTC                                                                                                        |
| <b>Updated</b>         | 2017-08-29 01:33:00 UTC                                                                                                        |
| <b>Description</b>     | Cross-site scripting (XSS) vulnerability in IBM Sterling B2B Integrator 5.1 and 5.2 and Sterling File Gateway 2.1 and 2.2 allc |

## Risk And Classification

### Problem Types: CWE-79

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor              | Product                                 | Version | Update | Edition | Language |
|-------------|---------------------|-----------------------------------------|---------|--------|---------|----------|
| Application | <a href="#">Ibm</a> | <a href="#">Sterling B2b Integrator</a> | 5.1     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling B2b Integrator</a> | 5.2     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling B2b Integrator</a> | 5.1     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling B2b Integrator</a> | 5.2     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling File Gateway</a>   | 2.1     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling File Gateway</a>   | 2.2     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling File Gateway</a>   | 2.1     | All    | All     | All      |
| Application | <a href="#">Ibm</a> | <a href="#">Sterling File Gateway</a>   | 2.2     | All    | All     | All      |
