

# CVE-2013-3979

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                              |
|------------------------|------------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2013-3979                                                                                                                |
| <b>State</b>           | PUBLIC                                                                                                                       |
| <b>Assigner</b>        | psirt@us.ibm.com                                                                                                             |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                 |
| <b>Published</b>       | 2013-07-25 11:59:00 UTC                                                                                                      |
| <b>Updated</b>         | 2017-08-29 01:33:00 UTC                                                                                                      |
| <b>Description</b>     | Multiple cross-site scripting (XSS) vulnerabilities in the help pages in Web\Content\Help\ in the Web Client in IBM Cognos C |

## Risk And Classification

### Problem Types: CWE-79

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor | Product             | Version | Update | Edition | Language |
|-------------|--------|---------------------|---------|--------|---------|----------|
| Application | ibm    | Star Command Center | 1.6.1   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.0   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.1   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.2   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.3   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.4   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.5   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.6   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.7   | All    | All     | All      |
| Application | ibm    | Star Command Center | 1.6.1   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.0   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.1   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.2   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.3   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.4   | All    | All     | All      |
| Application | ibm    | Star Command Center | 3.0.5   | All    | All     | All      |
