

# CVE-2014-0623

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2014-0623                                                                                                            |
| <b>State</b>           | PUBLIC                                                                                                                   |
| <b>Assigner</b>        | security_alert@emc.com                                                                                                   |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                             |
| <b>Published</b>       | 2014-03-27 10:55:00 UTC                                                                                                  |
| <b>Updated</b>         | 2020-03-27 14:07:00 UTC                                                                                                  |
| <b>Description</b>     | Cross-site scripting (XSS) vulnerability in the Self-Service Console in EMC RSA Authentication Manager 7.1 before SP4 P3 |

## Risk And Classification

### Problem Types: CWE-79

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor              | Product                                    | Version | Update | Edition | Language |
|-------------|---------------------|--------------------------------------------|---------|--------|---------|----------|
| Application | <a href="#">Emc</a> | <a href="#">Rsa Authentication Manager</a> | 7.1     | -      | All     | All      |
| Application | <a href="#">Emc</a> | <a href="#">Rsa Authentication Manager</a> | 7.1     | sp4    | All     | All      |
| Application | <a href="#">Emc</a> | <a href="#">Rsa Authentication Manager</a> | 7.1     | -      | All     | All      |
| Application | <a href="#">Emc</a> | <a href="#">Rsa Authentication Manager</a> | 7.1     | sp4    | All     | All      |
