

# CVE-2014-4211

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                          |
|------------------------|--------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2014-4211                                                                                                            |
| <b>State</b>           | PUBLIC                                                                                                                   |
| <b>Assigner</b>        | secalert_us@oracle.com                                                                                                   |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                             |
| <b>Published</b>       | 2014-07-17 05:10:00 UTC                                                                                                  |
| <b>Updated</b>         | 2018-10-09 19:47:00 UTC                                                                                                  |
| <b>Description</b>     | Unspecified vulnerability in the Oracle WebCenter Portal component in Oracle Fusion Middleware 11.1.1.7 and 11.1.1.8 all |

## Risk And Classification

**Problem Types:** NVD-CWE-noinfo

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor                 | Product                           | Version    | Update | Edition | Language |
|-------------|------------------------|-----------------------------------|------------|--------|---------|----------|
| Application | <a href="#">Oracle</a> | <a href="#">Fusion Middleware</a> | 11.1.1.7.0 | All    | All     | All      |
| Application | <a href="#">Oracle</a> | <a href="#">Fusion Middleware</a> | 11.1.1.8.0 | All    | All     | All      |
| Application | <a href="#">Oracle</a> | <a href="#">Fusion Middleware</a> | 11.1.1.7.0 | All    | All     | All      |
| Application | <a href="#">Oracle</a> | <a href="#">Fusion Middleware</a> | 11.1.1.8.0 | All    | All     | All      |
