

# CVE-2015-1909

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                  |
|------------------------|------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2015-1909                                                                                                    |
| <b>State</b>           | PUBLIC                                                                                                           |
| <b>Assigner</b>        | psirt@us.ibm.com                                                                                                 |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                     |
| <b>Published</b>       | 2015-05-25 00:59:00 UTC                                                                                          |
| <b>Updated</b>         | 2015-05-26 16:37:00 UTC                                                                                          |
| <b>Description</b>     | The XML parser in the Reference Data Management component in the server in IBM InfoSphere Master Data Management |

## Risk And Classification

### Problem Types: CWE-200

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor | Product                                  | Version | Update | Edition | Language |
|-------------|--------|------------------------------------------|---------|--------|---------|----------|
| Application | ibm    | Infosphere Master Data Management Server | 10.1    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 11.0    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 11.3    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 11.4    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 10.1    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 11.0    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 11.3    | All    | All     | All      |
| Application | ibm    | Infosphere Master Data Management Server | 11.4    | All    | All     | All      |
