

# CVE-2016-4945

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2016-4945                                                                                                               |
| <b>State</b>           | PUBLIC                                                                                                                      |
| <b>Assigner</b>        | cve@mitre.org                                                                                                               |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                |
| <b>Published</b>       | 2016-06-01 22:59:00 UTC                                                                                                     |
| <b>Updated</b>         | 2018-10-09 20:00:00 UTC                                                                                                     |
| <b>Description</b>     | Cross-site scripting (XSS) vulnerability in vpn/js/gateway_login_form_view.js in Citrix NetScaler Gateway 11.0 before Build |

## Risk And Classification

### Problem Types: CWE-79

## NVD Known Affected Configurations (CPE 2.3)

| Type             | Vendor                 | Product                                         | Version | Update | Edition | Language |
|------------------|------------------------|-------------------------------------------------|---------|--------|---------|----------|
| Hardware         | <a href="#">Citrix</a> | <a href="#">Netscaler Gateway 11.0</a>          | -       | All    | All     | All      |
| Hardware         | <a href="#">Citrix</a> | <a href="#">Netscaler Gateway 11.0</a>          | -       | All    | All     | All      |
| Operating System | <a href="#">Citrix</a> | <a href="#">Netscaler Gateway 11.0 Firmware</a> | All     | All    | All     | All      |
