

# CVE-2016-8757

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                               |
|------------------------|---------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2016-8757                                                                                                 |
| <b>State</b>           | PUBLIC                                                                                                        |
| <b>Assigner</b>        | psirt@huawei.com                                                                                              |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                  |
| <b>Published</b>       | 2017-04-02 20:59:00 UTC                                                                                       |
| <b>Updated</b>         | 2019-05-30 14:21:00 UTC                                                                                       |
| <b>Description</b>     | ION memory management module in Huawei P9 phones with software EVA-AL10C00B192 and earlier versions, EVA-DL10 |

## Risk And Classification

**Problem Types:** CWE-200

## NVD Known Affected Configurations (CPE 2.3)

| Type             | Vendor                 | Product                     | Version | Update | Edition | Language |
|------------------|------------------------|-----------------------------|---------|--------|---------|----------|
| Hardware         | <a href="#">Huawei</a> | <a href="#">P9</a>          | -       | All    | All     | All      |
| Hardware         | <a href="#">Huawei</a> | <a href="#">P9</a>          | -       | All    | All     | All      |
| Operating System | <a href="#">Huawei</a> | <a href="#">P9 Firmware</a> | All     | All    | All     | All      |
| Operating System | <a href="#">Huawei</a> | <a href="#">P9 Firmware</a> | All     | All    | All     | All      |
| Operating System | <a href="#">Huawei</a> | <a href="#">P9 Firmware</a> | All     | All    | All     | All      |
| Operating System | <a href="#">Huawei</a> | <a href="#">P9 Firmware</a> | All     | All    | All     | All      |
