

# CVE-2016-9975

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2016-9975                                                                                                               |
| <b>State</b>           | PUBLIC                                                                                                                      |
| <b>Assigner</b>        | psirt@us.ibm.com                                                                                                            |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                |
| <b>Published</b>       | 2017-02-24 18:59:00 UTC                                                                                                     |
| <b>Updated</b>         | 2017-03-02 02:59:00 UTC                                                                                                     |
| <b>Description</b>     | IBM Jazz for Service Management 1.1.2.1 and 1.1.3 is vulnerable to cross-site request forgery which could allow an attacker |

## Risk And Classification

### Problem Types: CWE-352

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor | Product                            | Version | Update | Edition | Language |
|-------------|--------|------------------------------------|---------|--------|---------|----------|
| Application | ibm    | Dashboard Application Services Hub | 3.1.2.1 | All    | All     | All      |
| Application | ibm    | Dashboard Application Services Hub | 3.1.3   | All    | All     | All      |
| Application | ibm    | Dashboard Application Services Hub | 3.1.2.1 | All    | All     | All      |
| Application | ibm    | Dashboard Application Services Hub | 3.1.3   | All    | All     | All      |
| Application | ibm    | Jazz For Service Management        | 1.1.2.1 | All    | All     | All      |
| Application | ibm    | Jazz For Service Management        | 1.1.3   | All    | All     | All      |
| Application | ibm    | Jazz For Service Management        | 1.1.2.1 | All    | All     | All      |
| Application | ibm    | Jazz For Service Management        | 1.1.3   | All    | All     | All      |
