

# CVE-2018-1202

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                                  |
|------------------------|----------------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2018-1202                                                                                                                    |
| <b>State</b>           | PUBLIC                                                                                                                           |
| <b>Assigner</b>        | security_alert@emc.com                                                                                                           |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                     |
| <b>Published</b>       | 2018-03-26 18:29:00 UTC                                                                                                          |
| <b>Updated</b>         | 2018-04-19 14:20:00 UTC                                                                                                          |
| <b>Description</b>     | Dell EMC Isilon versions between 8.1.0.0 - 8.1.0.1, 8.0.1.0 - 8.0.1.2, and 8.0.0.0 - 8.0.0.6, and version 7.1.1.11 is affected b |

## Risk And Classification

### Problem Types: CWE-79

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor               | Product                    | Version  | Update | Edition | Language |
|-------------|----------------------|----------------------------|----------|--------|---------|----------|
| Application | <a href="#">Dell</a> | <a href="#">Emc Isilon</a> | 7.1.1.11 | All    | All     | All      |
| Application | <a href="#">Dell</a> | <a href="#">Emc Isilon</a> | 7.1.1.11 | All    | All     | All      |
| Application | <a href="#">Dell</a> | <a href="#">Emc Isilon</a> | All      | All    | All     | All      |
| Application | <a href="#">Dell</a> | <a href="#">Emc Isilon</a> | All      | All    | All     | All      |
| Application | <a href="#">Dell</a> | <a href="#">Emc Isilon</a> | All      | All    | All     | All      |
