

# CVE-2020-1205

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                             |
|------------------------|-----------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2020-1205                                                                                                               |
| <b>State</b>           | PUBLIC                                                                                                                      |
| <b>Assigner</b>        | secure@microsoft.com                                                                                                        |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                |
| <b>Published</b>       | 2020-09-11 17:15:00 UTC                                                                                                     |
| <b>Updated</b>         | 2023-12-31 22:15:00 UTC                                                                                                     |
| <b>Description</b>     | A spoofing vulnerability exists when Microsoft SharePoint Server does not properly sanitize a specially crafted web request |

## Risk And Classification

**Problem Types:** NVD-CWE-noinfo

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor    | Product                      | Version | Update | Edition | Language |
|-------------|-----------|------------------------------|---------|--------|---------|----------|
| Application | Microsoft | Sharepoint Enterprise Server | 2016    | All    | All     | All      |
| Application | Microsoft | Sharepoint Enterprise Server | 2016    | All    | All     | All      |
| Application | Microsoft | Sharepoint Foundation        | 2010    | sp2    | All     | All      |
| Application | Microsoft | Sharepoint Foundation        | 2013    | sp1    | All     | All      |
| Application | Microsoft | Sharepoint Foundation        | 2010    | sp2    | All     | All      |
| Application | Microsoft | Sharepoint Foundation        | 2013    | sp1    | All     | All      |
| Application | Microsoft | Sharepoint Server            | 2019    | All    | All     | All      |
| Application | Microsoft | Sharepoint Server            | 2019    | All    | All     | All      |
