

# CVE-2022-2243

[MITRE](#)[NVD](#)[CVE.ORG](#)[JSON API](#)[Print: PDF](#)

## Summary

|                        |                                                                                                                                 |
|------------------------|---------------------------------------------------------------------------------------------------------------------------------|
| <b>CVE</b>             | CVE-2022-2243                                                                                                                   |
| <b>State</b>           | PUBLIC                                                                                                                          |
| <b>Assigner</b>        | cve@gitlab.com                                                                                                                  |
| <b>Source Priority</b> | CVE Program / NVD first with legacy fallback                                                                                    |
| <b>Published</b>       | 2022-07-01 16:15:00 UTC                                                                                                         |
| <b>Updated</b>         | 2023-08-08 14:22:00 UTC                                                                                                         |
| <b>Description</b>     | An access control vulnerability in GitLab EE/CE affecting all versions from 14.8 prior to 14.10.5, 15.0 prior to 15.0.4, and 15 |

## Risk And Classification

**Problem Types:** CWE-639

## NVD Known Affected Configurations (CPE 2.3)

| Type        | Vendor                 | Product                | Version | Update | Edition | Language |
|-------------|------------------------|------------------------|---------|--------|---------|----------|
| Application | <a href="#">Gitlab</a> | <a href="#">Gitlab</a> | All     | All    | All     | All      |
| Application | <a href="#">Gitlab</a> | <a href="#">Gitlab</a> | All     | All    | All     | All      |
| Application | <a href="#">Gitlab</a> | <a href="#">Gitlab</a> | 15.1.0  | All    | All     | All      |
| Application | <a href="#">Gitlab</a> | <a href="#">Gitlab</a> | 15.1.0  | All    | All     | All      |
